

WEATHER PROGRAM OFFICE

National Oceanic and Atmospheric Research

American Meteorological Society Meeting [Virtual]

January 10th – 15th, 2021

[AMS Website](#)

NOAA Weather Program Office's staff will be attending the American Meteorological Society Meeting. This list contains presentations that will be given by the staff.

For more information send an e-mail to info.wpo@noaa.gov.

Additional Presentations

Tuesday, January 12th

[Session 4A - Testbeds to Enable and Accelerate Transitions of Research to Operations to Decision-Makers, End Users, and the Public in Weather, Water or Climate Applications— Hazardous Weather Testbed \(HWT\) and Hydrometeorology Testbed \(HMT\). Part I](#)

Time: 10:30 - 11:30 AM

Presenter: Chandra Kondragunta

[Session 5A "Testbeds to Enable and Accelerate Transitions of Research to Operations to Decision-Makers, End Users, and the Public in Weather, Water or Climate Applications— Hazardous Weather Testbed \(HWT\) and Hydrometeorology Testbed \(HMT\). Part II; Physics Development and Process-Based Testing and Evaluation for Weather and Climate Models. Part II](#)

Cochair: Chandra Kondragunta

Time: 1:00 - 2:00 PM

NOAA Weather Program Office
1315 East-West Highway, 10th & 11th Floors
Silver Spring, MD 20910
